KASTOL

PURE CASTOR OIL
MADE PALATABLE

Castor oil is known throughout the civilized world as the most generally useful household medicine.

It is the universal laxative for children.

Kastol is pure castor oil made palatable by the simple addition of sweetening flavor. Children readily take Kastol because it is sweet and more palatable than ordinary castor oil. Why use the other?

PHONE 585

Hon. C. S. Ganser and Commercial Club Secretary H. L. McKnight are attending the District and County Attorneys and County Clerks' Convention in San Antonio.

Parties desiring to transfer their school children can do so by writing me at Waco, Texas, giving names of children, district they are in and the district to transfer to; or leave information with Roy Hudspeeth at the court House. Very truly, T. W. Parker.

A. & M. HEADS TO ATTEND CONVENTION OF ENGINEERS.

F. C. Bolton, head of the department of electrical engineering; E. J. Ferrier, head of the department of mechanical engineering; and H. E. Smith, professor of steam engineering at A. & M. College, will leave this week for Ames, Ia., where they will attend the annual meeting of the Society for the Promotion of Engineering Education. This convention will be in session June 22-25. It is one of the most important organizations of technical educators.

FOOD INSPECTOR VISITS A. & M. COLLEGE.

J. B. Hammer, food and drug inspector for the United States department of agriculture, this district, is here conferring with B. Youngblood, director of experiment stations and James Sullivan, executive secretary of the Feed Control service relative to enforcement of regulations concerning interstate shipments of feed. All six of the field inspectors in the employ of the Feed Control service are commissioned to take samples and make seizures in interstate shipments. It has not been possible for them to file complaints against manufacturers who violate the pure food laws, however in case of interstate shipments and it is hoped that this may be changed.

BUSINESS MEN TO ENTERTAIN SOON

Club Will Co-operate With College Authorities in August Meeting. Publicity for Bryan.

The weekly meeting of the directors of the Commercial Club was held in the club office at 10 a. m. today, with President E. J. Fountain in the chair. The following directors were present: J. T. Maloney, M. E. Wallace, J. L. Edge, H. A. Burger, M. L. Parker, R. S. Webb, L. L. McInnis, A. W. Wilkerson, J. A. Moore and A. M. Waldrop. Professor R. L. Morrison, Dean D. W. Spence and George D. Marshall of College met with the directors to discuss plans for and arrange an entertainment for the County Judges, County Commissioners and Good Roads Association that meet at College on the 5th, 6th and 7th of August. After a discussion, on motion by L. L. McInnis, the entertainment committee was instructed to meet with the College authorities and arrange for an entertainment for these associations.

Many prominent men will attend these meetings, among whom will probably be Gov. James E. Ferguson.

The publicity committee submitted plans for advertising Bryan and her schools through the various county seat papers, which met the approval of the directors and was adopted. The schools will be asked to co-operate in this work.

NO ACTION ON ROADS.

Committee Decided To Wait Until Bond Market Improved.

No action of importance was taken by the commissioners' court and the advisory committee of road district No. 1, in their joint meeting held at the court house yesterday afternoon at 3 o'clock. After a general discussion of the possible sale of the \$400,000.00 bonds it was decided to let the matter rest for awhile until the slightly strained relations now existing between the United States and Germany are again normal. All present were

\$15.00 Silk Dresses.....\$ 8.50
\$20.00 Silk Dresses.....\$12.50

WEBB BROS.

of the opinion that the bond market would improve later, and a better price could then be secured for the bonds.

Prof. Spence and Consulting Engineer Morrison did not have their report ready on the value of the rock from the Millican quarry, which they are testing as a possible material for the good roads work.

EMANCIPATION CELEBRATION.

The colored people of Bryan are again hard at work on plans for the annual celebration of June 19, Emancipation Day. A big barbecue dinner for all who care to attend, white or black, will be served Friday at 2:30 p. m., and the general public is cordially invited. Other entertainments such as baseball, dancing, and tarp shooting are planned and the committee in charge is making every effort to make the celebration the best ever held in Bryan. A parade was planned but the committee has been unable to secure a band, and it is probable the plans for this feature will be abandoned. The committee in charge is as follows: Jerry Simpson, Mose Lights, Buddy Bookman, Walter King, Ed Oliver, Louis Johnson, John Rhodes and Albert Empling.

NEGRO KILLED WIFE AND SELF.

Marquez, Tex., June 15.—A negro, John Ferguson, living just across the line in Robertson county, shot and killed his wife, using a double barrel shotgun, and then turned the gun on himself, blowing off his head almost, death resulting instantly.

THE WEATHER

Temperatures at Bryan for 24 hours ending at 8 a. m. this morning: Highest 97 degrees, lowest 48 degrees. Precipitation, 2 inches.

Forecast until 7 p. m., Wednesday: Tonight and Wednesday unsettled weather.

P. S.—Don't forget rainfall was two inches.

NOTICE BOY SCOUTS.

Important meeting Wednesday morning at 9:30 o'clock at Scout headquarters. All scouts are requested to be prompt and on hand.
